Once you have decided on the term of your Share Certificate, you cannot withdraw from it until it matures. If you do withdraw early, it will incur a penalty.

When your account is about to mature, you will receive a notice allowing you a grace period of ten business days from the date of maturity. You then decide whether you want to rollover the certificate and do nothing, put the certificate in for another term, or cash-in the account.

Please call the office (1-856-235-2077) for the latest rates and any further information.
